Best Offer By: 12 Noon, 15 May 2023 (unless sold prior) Price: \$580,000 to \$630,000 McCracken magic comes in all forms. Here, it's a fully renovated, cleverly hidden, and superbly packaged 3-bedroom gem with almost as many features as this iconic bay has sunsets. Set secretly between the coast and McCracken Golf Course, the hills and the heart of town, its gleaming new lifestyle inclusions rival anything its quiet clutch of quality neighbouring homes can dish up, with far less effort...3kW of solar, new carpets and plantation shutters, new ducted heating and cooling, two brand new luxe modern bathrooms - one ensuite - a leading lounge room with a cosy combustion fireplace, plus a private rear courtyard and all-weather pergola for lazy Sundays with your closest. As a weekender, an unbeatable holiday rental, or as a retiree or downsizer's own "Private Little Idaho" - it sets a brilliant and nimble new benchmark. Even the 2-tone kitchen brings a crisp modern edge with stainless electric appliances, a generous pantry to preserve every inch of bench space, and a nearby dining zone issuing a ticket to sunshine and outdoor entertaining. Robed storage lines the main and 2nd bedrooms, the 3rd bedroom offers study or nursery flexibility, plus a central, separate WC is ideal for guests; the master ensuite closes the door to a deep soaker bath. Consider the lined and innately versatile rear garage with more in mind - maybe an office, gym, creative space or adaptable 2nd living area for when the rellies arrive - as an invaluable extra to the double carport on arrival. Cushioned by immaculate, slate-paved, and established grounds, the only splurge you'll make is on lifestyle: downtime with friends, a spot of golf right over the road, or on the grandkids who'll find any excuse to stay. Lock and leave or turn the key and prosper in a slick, secret ticket to style...
