Here is your opportunity to own a lovely cottage in highly sought after Stanley. The 1920's home is very well maintained by the current owners and is currently available with vacant possession. Set on a large flat 911m<sup>2</sup> block there is plenty of space for off street parking, pets, the keen gardener or perhaps a larger shed. The home features 3 bedrooms with the possibility of a 4th with some modifications. It has a large north facing kitchen dining and living area which catches the sun and has fantastic views of the Nut. Located adjoining the Stanley Primary school this would be a great location for a young family. Walking distance all the features that make Stanley a popular location to live, work and play. A 9 hole golf course, excellent cafes and restaurants, miles of beaches to walk and great fishing. What are you waiting for? Call Casey or Duncan today 64521111
