2 Alison Place is set in a quiet cul-de-sac in the Warrendine area. The established garden at the front provides great privacy from the street. The house has 3 bedrooms all with built in wardrobes, a bathroom with bath, shower and separate toilet. The kitchen has an electric stove and opens to a spacious dining area with a woodheater. Adjacent is another possible 4th bedroom or home office and beside that is a spacious living area. There is vehicle access into the backyard, a garden shed and nice pergola area to sit, relax under and take in the rural outlook over the backyard. This flexible floorplan and affordability make this home ideal for the first home buyer or investor.
