Outstanding in so many ways, this deluxe hideaway is perfectly located for enjoying the best of Brighton all around you. It's superbly renovated so you can simply move in and love the streamlined interior, ultra-private design, and quality features that add a luxe dimension. Open-plan living and dining zones open onto a landscaped courtyard garden, where you can take your pick from avocado, lemon, lime and orange trees and cook on the built-in barbecue. You can see the garden greenery from the high-style kitchen, designed around a breakfast bar island, Smeg and Bosch appliances and outdoor access. The new look extends to all three bedrooms and the Insta-worthy ensuite, family bathroom and powder room featuring kit kat and terrazzo tiles and fluted timber cabinetry. Excellent updates includes new oak floors, bespoke joinery, ceiling fans, and plantation shutters. Barkly Street has a choice of restaurants around the corner on New Street, and you can walk to the beach in minutes. Families will appreciate living close to Firbank and Brighton Grammar Schools, and the cafes, shops, cinemas and trains that make Bay Street and Church Street so convenient are blocks away.
