This lovely 3 bedroom property is available for lease in early November. All bedrooms have built-in robes, the bathroom has a shower and bath, and the toilet and laundry are separate. The kitchen/dining area is rather modern with stainless steel appliances including a dishwasher. You will not be cold in the winter as this property has a wood heater as well as a Heat Pump. The yard is rather large, low maintenance and mostly fenced making it the perfect area for the pets or kids to play. It is also just a short stroll to the waters edge as well as the school and services provided in the Nubeena township. **IMPORTANT INFORMATION PLEASE READ:** • An initial 12 month lease is on offer • Pets will be considered upon application • It is preferred if you are interested that you submit an application prior to viewing, if approved you will be offered to view the property prior to accepting • We welcome applications from interstate and can arrange face-time/video viewings
