With the owners having been transferred to Melbourne this family home has become available. Neat and tidy with nothing to do except move in. It is in a great location at the end of a quiet close in the heart of Bentley Park. It boasts a single carport under roof and a tall, free standing carport that would house a good size caravan, boat and car. The home has been freshly painted and there are new split system air-conditioners installed all round and with new carpet throughout. The gardens are lush and easily maintained with plenty of room for the children and pets to play safely in a fully fenced backyard. 2 Blackbird stands on a good sized 722m<sup>2</sup> block. Schools are close, within walking distance. Now vacant and ready to occupy. Call today to book an inspection.
