\$1,100,000

This remarkable coastal home offers unparalleled coastal vistas overlooking the stunning Whitsunday Islands. Experience the mesmerizing sight of cruise ships gliding by or spot majestic whales while soaking in the refreshing sea breezes from the expansive covered decks. Beyond its breathtaking views, this residence boasts a versatile studio apartment with an ensuite downstairs, complete with its own separate access. Ideal for accommodating guests or family members, or even generating extra income through Airbnb or long-term rentals. Spread across two levels, the lower floor hosts the entry to the studio/guest quarters, which also opens onto a spacious entertaining area. The studio or third bedroom can be secluded from the main dwelling, featuring its own bathroom and outdoor space. Ascending to the upper level, you'll find a welcoming main living area adorned with beautiful tiled floors. The vast open-plan layout seamlessly integrates living and dining spaces, while the wraparound deck extends the living area outdoors, maximizing the panoramic views with full-length glass windows and doors. The master bedroom boasts a fitted walk-in robe, while the second bedroom features built-ins and opens onto the outdoor entertainment area, offering a perfect spot to unwind in the spa and revel in the stunning ocean and island vistas. This property represents exceptional value for those seeking true ocean-view living in Hideaway, boasting:

- Three bedrooms with built-ins, including the studio with ensuite
- 792m² allotment
- Rates \$1639.05 ½ yearly
- Ocean and island views along the coastline
- Covered deck with ocean views
- Two-storey design
- Large shed with workshop area and storage spaces
- Fully tiled floors upstairs
- Modern, light-filled kitchen
- Ceiling fans throughout, with air-conditioning
- Double garage with remote access
- Established landscaped gardens
- Close proximity to two renowned resorts in the Whitsundays
- A stone's throw away from beaches
- Ample room for a boat or caravan
- 7KVA Solar System
- 2 x concrete water tanks 20,000 litres each Plus another 25,000 litres of water tanks along the shed.
