Welcome to 2 Blue Water Court, Portland – designed by a custom boutique builder, this brilliant home showcases the epitome of modern family living. This elegant brick veneer build boasts four bedrooms and two bathrooms, radiating style and quality throughout its 25 square footprint. The thoughtful design incorporates two spacious living rooms with the main adorned with warming timber-look vinyl flooring, creating an inviting atmosphere for family gatherings. The kitchen, a true highlight, with both gas and electric cooking options, catering to culinary preferences. Enjoy scenic views of the landscaped rear yard while preparing meals in this contemporary space. The bathrooms are equally impressive, featuring floor-to-ceiling tiles and a modern fit-out that adds a touch of luxury to daily routines. Nestled in a low-traffic North Portland location, this property offers tranquility and serenity, with cliff-top views just a short stroll away, providing a picturesque backdrop to everyday life. This residence epitomizes low-maintenance modern living, allowing you to fully immerse yourself in everything the coastal town of Portland has to offer. Don't miss the opportunity to make this stylish and quality home yours, so you can relax and experience the charm of coastal living.
