Peering out over the water of Great Bay and with sandy beaches just over the road this enviable large allotment of land potentially offers an easy build given the low maintenance, power at hand and well established trees. The gently rising land is close to the Bruny Island Cheese Co. and the oyster farms and restaurant are all just a short walk away. This block is in an idyllic location as it is an easy commutable distance to Hobart if and when required given the very convenient ferry timetable. If you have been looking for your own piece of beach-side paradise, a retreat, a getaway with space with a sunny outlook at a very affordable price, look no further!
