\$342,500

This three-bedroom one-bathroom home is a perfect starter home or great investment property. Situated on a corner block this brick home has dual access and is opposite the shops, close to schools, transport and parks. Open the gates and be greeted by an extensive paved driveway that leads to a double carport, with a great sized lawn area and established trees. The front yard offers terrific views of the MacDonnell Ranges and is set behind high and secure fencing. Enter into the combined living/dining area and you will be greeted by a fully tiled and freshly painted home that is low maintenance and easy to keep clean. The kitchen boasts gas cooking and overlooks the entertainment area and the spacious backyard. All three bedrooms have built-in robes, two with roller shutters and one with sliding door access. The central bathroom has a shower-bath combo and vanity, the WC is located separately for convenience. The laundry is spacious, with a linen cupboard and plenty of room for an extra fridge or freezer and has direct access to outside. In the backyard you will find a very large undercover entertaining area, fire pit, established fruiting trees and two sheds with enough space for all the boys toys. The Lyndavale Drive entrance has double gates to enter the backyard with enough room to park a caravan. To view this property call Toni or Drew today on 0403 201 653.
