In a secluded cul-de-sac directly opposite the Botany Street Playground, this triple-storey townhouse delivers a lifestyle of low-maintenance perfection with its versatile design, quality inclusions and impressive outdoor spaces to enjoy. As-new condition throughout, the home's luminous interior showcases three generous bedrooms (all with robes), as well as two deluxe ensuites and equally-stylish main bathroom. Add to this a dedicated study and flexible open-plan living/dining areas adjoined by a sleek stone-bench kitchen complete with island breakfast bar, five cooking appliances and integrated dishwasher. Other highlights include split-system heating/cooling, double-glazed windows, stone-top vanities (all bathrooms) and engineered timber floors, along with European laundry and under-stair storeroom. Complementing the refined interior is a private balcony, additional terrace and fantastic enclosed alfresco entertaining area with park views, plus the added appeal of a remote-control tandem double garage with internal entry. Bus stop around the corner on Hampstead Road, it's also walking distance to Williamson Road trams, Highpoint Shopping Centre and Maribyrnong Aquatic Centre, as well as easy access to local schools and riverside trails.
