This home has several interesting features that you don't see in houses today. Once you walk into the entry hallway, lounge and office you are greeted by striking timber wood work and interesting ceiling roses. The lounge has a 1 of a kind chimney which is an interesting feature. The rest of the home has 3 bedrooms, large kitchen/ meals area, wood heating, evaporative cooling and a spacious laundry. Outside you'll find a double carport (end to end), a rain water tank and pergola area. The home is close to the beautiful Yarriambiack Creek and a easy stroll to the main street.
