Welcome to this spacious and immaculately presented family home located in a peaceful location with views out to Bass Strait. This four-bedroom home features a master suite complete with an ensuite and walk-in robe, ensuring plenty of space and privacy. The kitchen, dining area, and two living rooms, all have stunning views of Bass Strait. A rumpus room, office, nice front entrance area, and main bathroom with a large spa complete the interior. The convenience of a double garage with internal access compliments the other features and there are two additional garden sheds so there's no shortage of storage. With a warm and sunny northerly aspect, the home is designed for comfort with two Fujitsu reverse cycle heat pumps, double-glazed aluminium windows, and full insulation to keep you cosy all year round. The sliding glass doors from the dining and second living room lead out to an undercover patio and BBQ area, perfect for entertaining and taking in the sea views. 2/3 of the 2.92-acre property has potential to be developed subject to council approval. The home is surrounded by well-established trees and is located only a few minutes' drive from shops, schools, and all services. So, if you're looking for a peaceful setting with a beautiful outlook just minutes from the Burnie CBD, then this is the perfect place for you and your family to call home. *Harcourts Burnie has no reason to doubt the accuracy of the information in this document which has been sourced from means which are considered reliable, however we cannot guarantee accuracy.
