A level layout connected to a flat backyard is a prized possession for a young family. The kids can come & go in a safe, secure environment while parents can carry on with one of the many daily tasks of a modern household. In this ever expanding region, I would dare say there are more shops and services at your fingertips here than anywhere in the Hunter or Newcastle.- Air conditioned main bedroom with WIR and ensuite- 3 remaining bedrooms all with built-in robes, 2 with ceiling fans and electric roller shutters- Media/Family room and air conditioned open plan lounge/dining- Privacy with land behind zoned Public recreation - no houses intended to be built- Side access for small trailer- Backyard and fencing specifically designed to be pet friendly - dogs cannot dig out under the fence
