\$2,010,000

An opportunity presents for the astute buyer to make their mark on Casey Drive, one of Berwick's most exclusive tree-lined streets so close to the Berwick Village. Considered in very high esteem, residents of Casey Drive remain for many years once established for the privacy and space that simply will not be replicated. The position of the home on the generous 1 acre approx. allotment has been cleverly designed to maximise the views that are on offer and would allow for a stunning aspect with a new design as well (STCA). Full of character and charm this family home has a fantastic floorplan and allows plenty of scope to add your own touch on the property when/if you are ready. The substantial offering provides an exceptional level of accommodation and living zones, both formal and informal and hosting family and friends on scale will be a pleasure. Zones for the entire family, master bedroom with ensuite, three remaining spacious bedrooms with built in robes as well as a home office complete the package. Spacious vehicle parking includes undercover carport and plenty of off-street parking to accommodate the entire family. The private allotment houses mature gardens and beautiful lawn space that complete the outdoor setting. Blocks of this size and privacy are very rarely available this close to Berwick. A perfect mix of having seclusion, privacy and being only minutes away from the thriving hub of Berwick and some of the finest schools in the area. Create your own luxurious property, build on the current bones or simply move in and enjoy, the options are plenty (STCA). With no further subdivision expected in Casey Drive, the land underpinning this exceptional home will continue hold its blue chip status for many years to come.
