Paradise found! Fabulous four bedroom family home in a most central location to beach, shopping centre plus local amenities and facilities, including opposite playground. Great family friendly floor plan with two separate living spaces, a formal lounge plus informal living room that flows to undercover alfresco area. Enjoy endless summers around a sparkling inground saltwater pool, surrounded by a fully fenced, level yard. There is also side access to the yard, large garden shed and poolside fire pit area. A welcoming entrance is met by the formal L shape lounge room which includes optional designated dining area. A galley style kitchen comes with dishwasher, breakfast bar, gas cooking, open fridge space, plenty of cupboards and large closet pantry. Fresh neutral décor, hardwearing vinyl planks in main living and traffic areas and modern plantation shutters create a contemporary feel that is both appealing and functional. With just one neighbouring property, spend your private leisure time outdoors all year round under the covered alfresco area. This space is big enough to accommodate a large outdoor dining and lounge setting and of course, the bbq. All bedrooms have built in wardrobes, the master with ensuite. Main bathroom services the remaining three bedrooms. Laundry includes access directly to the yard. A generous 715m² corner block, offers multiple entry points to the property and yard which provides additional parking or storage for extra cars, boat, trailer or van. Double garage has remote controlled access and internal entry. All in all, a comfortable home, in a convenient location, ticking all the boxes!
