Thoughtfully designed over three functional levels, enjoying wonderful natural light throughout so much of the property, and sure to be appreciated by those who yearn to live the relaxed Cheltenham lifestyle, this 2 bedroom, 2 bathroom residence will have widespread appeal. Destined to be a favourite amongst young professionals and even first time buyers, this immaculate home really will win you over. The flexible ground level is home to a secluded bedroom with BIR, which has easy access to a chic bathroom. The first floor is where you get to experience the bright and relaxed lounge and dining zone, which has direct entry out to a decked balcony area that will be heaven for dinners and drinks in spring and summer. Step back inside and make the most of the stone kitchen which looks out onto the living area and comes with stainless steel appliances. There is another living area/study on the very top level along with the main bedroom with BIR and double vanity bathroom, while also enjoy a European laundry, reverse cycle heating and cooling, security gate, and single garage accessed at the rear. You are so close to the popular Westfield Southland which has everything from restaurants to cinemas. You're also very close to Le Page Park, Keys Road Reserve, Waves Leisure Centre, Le Page Primary School, Cheltenham Secondary College, buses, and Southland Station
