Each of its three spacious bedrooms comprises a built in robe whilst two bedrooms enjoy the added convenience of a private ensuite. An open fire warms an expansive living room, making it the ideal place to relax and unwind. A stunning kitchen is the heart of the home and showcases stone bench tops, 900mm stainless steel appliances and a vast island bench overlooking another open plan living space, providing endless flexibility for everyday family living. Those keen on entertaining friends and family will simply fall in love with the outdoor undercover alfresco area, featuring built in heating & a sound system, ensuring any event will be a success. An enormous four car lock up garage plus office provide both ample off street parking and a ready made place to work from home.
