If you thrive on quality and style, then make your way to inspect this stunning Col Gowers built display home. With thoughtful design, creative and luxurious fixtures and finishings, you'll love what this large spacious light and bright home has to offer. Be greeted by the formal entry, feature panelling and beautiful timber look floors, formal master suite with beautiful en-suite and featuring his and hers separate WIR's. Neutral tones with the occasional earthy tones thrown in for extra style, the home has a genuine contemporary feeling as you wander through. The huge open living area is grand in size and connects perfectly with the magnificent kitchen, it's magazine stuff. Stone benchtops, quality appliances and a huge butlers pantry, this home is ready for you to cook up your storm. Adjoining the living zones is an impressive entertaining area with high ceilings that is UMR, designed for arvo beers and BBQ's that overlooks a designer garden and the centrepiece fire pit! With plenty of room for a shed and access off the road for anything you require that may include a caravan, boat or toys. The Como is a lifestyle choice for any buyer. Positioned in Irymple, enjoy what this fabulous new home has to offer
