**\$260,000**

Prime location opposite the primary school and just a short walk to the community centre, post office and library. This wonderfully kept home is full of character and original features throughout. Central to the home an eat in kitchen with serving counter, separate lounge and large rumpus room with air-conditioning. Furthermore, there are 3 good size bedrooms, generous main bathroom with separate toilet and large built in linen cupboard to the hallway. Outside the home has a lovely street appeal with well maintained, established gardens and a carport under the main roof. Out back a huge yard again very well maintained and features multiple rainwater tanks and a double iron garage. There is plenty of room for additional shedding and space for a caravan if required. Robertstown is a township in the lower mid north region surrounded by wonderful hills and countryside. Predominantly a broadacre farming district with new industries such as wind, solar and the new interconnector projects creating many employment opportunities which are expected to continue for at least a few years to come. Well worth an inspection for your new country lifestyle, just an hour and a half to Adelaide, 1 hour to Gawler, 35mins to Kapunda and just up the road from your local shops, including pharmacy, supermarket, service stations and bakery in Eudunda. With many local sporting options and several great choices for meals and a beer!! Call us to inspect today!!
