Situated on a peaceful street in a sought-after Ropes Crossing address, this charming single living residence presents an incredible opportunity that combines style, substance, and size. Occupying a 513sqm North Facing parcel with dual frontage, the scale is extremely rare for Ropes Crossing. It offers plenty of room from an unobstructed wide hallway to a sprawling alfresco entertaining space complete with Spa and outdoor kitchen, child-friendly gardens and much more. What we love: • North Facing 513sqm • Sizeable Master Suite with walk in robe and large en-suite • Gourmet kitchen with Stone Countertops + Fisher & Paykel 900mm chefs oven and gas stove top • Servants style window from kitchen that opens to alfresco • Outdoor kitchen + spa + child friendly greenspace • Solar Panels + Ducted Air Conditioning Strategically located for privacy without any compromise on convenience, this home benefits from all the creature comforts of today. Positioned within walking distance to Local Shops and cafes, local sporting grounds and public transport and many more attractions contained within the Ropes Crossing area.
