Having adopted a distinctive contemporary style, this stunning residence has undergone a total transformation to now offer a truly exemplary inner-city living experience. Brilliantly located literally on the doorstep of East shopping precinct, the many features include expansive open-plan living that enjoys extensive double-glazed windows to capture sunshine all day long. The naturally warm interior finishes feature engineered timber flooring in living, quality carpeting in both bedrooms and high-end kitchen appliances and fittings. The fully tiled bathroom boasts a stylish freestanding bath. Built-in robes in both bedrooms, split system heating and cooling, security, study nook and European laundry. Even 6 star energy rating. The living area flows seamlessly on to leafy outdoor private entertaining area. Absolute minimal ongoing maintenance has been carefully considered being entirely finished in rot-proof Formplex cladding. The characteristic structured landscaping doesn't include a blade of grass to mow. Easily accessed single carport. Land 276 sq mt app. We strongly encourage your early attention to this exceptional property. Be quick to not miss out.
