Stretching out wide on its fully landscaped block, this brilliant Dennis Family home presents expansive interiors that are ready and waiting to be enjoyed. Tucked in a quiet cul-de-sac with open greenery at either end, it is the perfect setting for families looking for space, lifestyle, and a location to love. Designed as the ideal entertainer with a big bright and well-equipped stone kitchen right at the heart, the layout features open-plan living and dining areas that extend out to an alfresco patio and the huge irrigated lawns. Families will love the inclusion of a dedicated study ideal for those who work from home, while four generous bedrooms including a superb ensuite master with walk-in robes are also on offer. Fitted storage in all bedrooms and a sparkling family bathroom with separate WC are added highlights together with a laundry leading out to the yard and a double garage with secure internal entry. Year-round comfort is ensured by ducted heating and evaporative cooling boosted by two split systems plus energy-efficient solar-tinted windows, while a 5KW microinverter solar system and side access to a 7.5m x 12.5m shed with capacity for the largest caravans rounds off the package. Within easy reach of Huntly's shops & primary school, under 5km to Epsom village & station, this peaceful pocket is also merely 12 km out of the centre of Bendigo.
