\$1,300 per week

Nestled in the sought-after Dundas neighbourhood, this expansive two-story brick residence is the epitome of family living, blending spacious design with high-quality finishes for a lifestyle marked by ease and elegance. Its well-thought-out layout includes high ceilings and a variety of living areas, making it ideal for families in need of room to grow. The home's proximity to educational institutions, shopping destinations, and essential services underscores its convenience.

Key Features:- Six generously sized bedrooms, each equipped with built-in wardrobes, with three located on the lower level alongside an additional study area on the upper floor.- A grand master bedroom boasting an ensuite bathroom and ample built-in wardrobe space.- An open-concept living, dining, and kitchen area that seamlessly connects to a large outdoor deck, perfect for entertaining.- A stylish Hampton-inspired kitchen outfitted with high-end Smeg appliances, a Bosch dishwasher, and a breakfast bar for casual dining.- Comprehensive ducted air conditioning, an internal laundry room with direct outdoor access, and an abundance of storage options throughout the home.- A sheltered alfresco dining area overlooking a meticulously landscaped, private garden.- A welcoming community setting amidst other prestigious properties, enhanced by verdant surroundings.- A secure automatic garage with additional side space suitable for a caravan or boat, adding to the convenience.- Immediate access to local parks and scenic walking trails, enriching the outdoor lifestyle on offer.

This property represents a rare opportunity to secure a distinguished home in a prime location, designed for both comfort and convenience.
