Auction | \$495,000 - \$540,000

Step into the epitome of modern living, where charm meets functionality in this captivating corner block home. Welcoming you with open arms, the heart of this residence is an open-plan living and kitchen area adorned with quality upgraded large appliances. Picture yourself in the spacious yet effortlessly maintained outdoor haven, perfect for both play and stylish entertaining. As you ascend the stairs, you'll discover three sun-drenched bedrooms that invite the outdoors in through numerous windows. The master bedroom, with its generous ensuite and robes, is a sanctuary within this contemporary abode. Throughout, comfort reigns supreme with split systems and a wall heater ensuring an atmosphere of year-round coziness. Whether you're taking your first steps into homeownership, expanding your investment portfolio, or seeking the serenity of downsizing, this home is a beacon of modern allure. Situated strategically, it's a mere stone's throw from Greenvale Secondary School, daycare centers, Greenvale Gardens Reserve Park, Aitken College, Greenvale Shopping Centre, and offers effortless freeway access. In essence, this property is not just a dwelling; it's a captivating narrative of charm, elegance, and unbeatable convenience. Tailored for a growing family, a savvy investor, or someone embracing the art of downsizing, this home seamlessly blends modern luxury with timeless allure. Your dream home awaits in this enchanting haven, where every detail tells a story of sophistication and comfort. Embrace the allure – your new chapter begins here.
