Walk inside to be surprised. This home has some lovely updates, with an open kitchen/living/dining area & 3 good sized bedrooms. In the living area there is built-in slow combustion wood heating, split system air-conditioning, a ceiling fan and lovely original jarrah flooring. The L shaped kitchen is tidy and has good cupboard & bench space. Bedroom 1 has a ceiling fan & new carpet, with the added security of external blinds, along the front of the house. The bathroom has a shower over the bath & new vanity, with the toilet separate. Adjoining the laundry is a back porch/mudroom, so a great spot to take your shoes & coat off before coming inside. It also provides protection from outside. There is rainwater for drinking, a fully fenced back yard that includes a garden shed and raised veggie garden with a watering system, a single car garage & single car carport. For the investor, the property is currently tenanted at \$280/week to a long term tenant, to June 2024.
