With a simple hop, skip and a jump to schools, shopping plazas and the centre of town, this three bedroom home offers convenience on a budget. Sitting on a large block surrounded by gardens and circular driveway to the front door for easy access, this home offers three bedrooms - of which two are very oversized. The light filled lounge space offers gas heating along with a air conditioner unit, which all leads to the kitchen at the back of the home which has been recently updated to showcase floating floorboards, gas cooking and plenty of bench space. The bathroom has also been update with a glass shower, toilet and vanity, but unfortunately no bathtub. Out the back you will discover a nice little fernery alcove within the fully fenced back yard, a lock up single garage and also a storage shed. Pets are also considered upon application with this home. Be sure to register for an inspection today before it is simply snapped up.
