Stripped back to its bare bones, the home has had the full treatment with new just about everything and finished off with high-end fixtures and fittings throughout, think 5-star Miami in the 60's. Offering a total of 6 bedrooms, the home provides excellent accommodation for family & friends along with fabulous living, dining and indoor & outdoor entertaining spaces. Downstairs includes a spacious living area with kitchenette, 2 King-sized bedrooms and striking new bathroom plus European-style laundry. A servery opens to the outdoor decking but more on that shortly. The 3 bedrooms upstairs are serviced by the uber cool bathroom with all new hardware and fittings, vanity and feature wall tiling. Step on outside to the full length front balcony that returns around to the huge entertainers deck complete with festoon lights and automatic retractable awning. Comfortably seating 12 people, here is the perfect place for relaxing brunches and full family BBQ's. An added bonus is the separate rumpus room that easily doubles as a 6th bedroom, great as a teenager's retreat / sleep-out. (With separate access from the home, this could be your personal lock-up zone if looking at holiday letting). Fully automated irrigation to the landscaped gardens including 550m² of lush new lawns and mature trees and all fully fenced with lockable gates for peace of mind. Fire pit area in the backyard for the cooler months and a custom made rowboat outdoor hot & cold shower is another classy little feature.
