Hampton Real Estate are proud to present to market 2 Forest Drive Hampton, a spacious three bedroom home set on five acres in one of Hamptons most sought after areas. Built to exacting standards this home features three well-sized, carpeted bedrooms, all featuring generous built-in wardrobes, with an ensuited master bedroom with direct verandah access.. Open-plan, central living flows naturally to the extra-wide North and South facing verandahs, bringing the outside in and providing the perfect entertainment space. A well-appointed modern kitchen features a gas cooktop, pyrolytic oven, plenty of benchspace and a large walk-in pantry plus dishwasher. Built with self-sufficiency in mind this home has fully insulated walls and ceiling, ultra-efficient Opti Glass windows and doors, solar hot water, a 2KW Solar array plus wood-fired heater with 68,000 Litres of rainwater storage. The home also features NBN access, external shower and a large, automatic door double lockup garage and a wood-fired pizza oven in the courtyard. Set on a five acre allotment, the property features a large 9x9 meter shed with internal shower/bathroom facilities. The shed is equipped with single and three phase power plus 15 amp outlets, and a 3.66m skillion- providing ample storage space. At the rear of the shed a 3x5m blacksmith forge room could be utilised for further storage. Developed gardens surround the home, with established native trees complemented by a fruit orchard featuring several varieties of Orange, Lemon, Lime, Mandarin, Apricot and Peach trees. Raised garden beds provide a perfect spot for growing herbs and vegetables. In addition to the ample rainwater supply, town water is also connected for peace of mind through the dry periods. If you're looking for a home in a peaceful location with ample wildlife, 2 Forest Drive Hampton is not to be missed. Properties of this calibre rarely come to market So do not miss your chance. Inspections strictly by appointment, please contact the Hampton Real Estate Agents to inspect.
