Situated in a quiet street yet offering ultimate convenience to the village, this beautifully presented north to rear family haven reveals stylish interiors brimming with streams of northern sunlight and privacy on over half an acre. With generously sized living spaces, this home offers a comfortable and flexible lifestyle with multiple living areas unfolding to reveal established level grounds and promising a coveted indoor/outdoor lifestyle for families and entertainers alike. The master suite has its own sitting room, bathroom and private entrance and was specifically designed as an air bnb. The other three rooms are of good size and ooze sunshine and light. The expansive home features three wood fires, 2 x split system a/c's, is well insulated and showcases new quality wool carpet throughout. There is a double carport plus ample additional parking, dual access entry, vehicular rear access, solar panels, two covered courtyards, and wrap around deck. Having an abundance of internal storage, and a kitchen to die for, all you need to do is move in, unpack & enjoy this superb lifestyle! Phone me for a private inspection!
