With a separate multi-purpose building, built at the same time as the home - you could renovate it to a teenagers retreat, storage or office area, you could see clients without them going through your main home, how good is that! Lastly, it wouldn't be complete without the private and very spacious outdoor area, where you can enjoy a BBQ with the family and mates amongst the tropical gardens... the entire backyard is completely private and very low maintenance. Other features include - - Air conditioning- Remote double lock up garage with internal access Serious owner is ready to sell and travel, so will be sold on or before 25th May by 6pm...if this home ticks your boxes, be sure to text George Vuong today to enquire...homes like this don't pop up very often...blink and you will miss out.
