This fantastic family home built on the boundary lines of the Penguin Football Grounds is the perfect location for the purchaser with children or pets! The home has four well sized bedrooms with robes, including a walk-in robe in the master, two very spacious lounge rooms and an ensuite to compliment the recently renovated wheelchair accessible main bath. The main open plan living area which includes the kitchen, dining and lounge is the heart of the home and is heated by a large wood heater, perfect for those cold nights. The second lounge which is situated off the front main entrance is a great entertainer's location and flows straight out to the North-West facing deck and also has a bar! Practicality is a huge feature of this home with its large yard, double garage and carport large enough for two vehicles. Location is this home's best attribute, being set at the edge of the football ground, in walking distance to the Penguin Golf Club, Bowls Club, Primary and Highschool! The home has just been re-painted and carpeted giving the property a nice clean fresh start and allowing the purchasers to move straight in. Homes in this area are tightly held and highly sought after, to express your interest or to book an inspection please contact the listing agent Kurt Knowles today!
