Hidden behind all the shrubbery is a quirky half billy boulder and fibro 2 bedroom home. All the shrubbery gives you peace and quiet from busy goanna flats road and with nearly a half acre of land you and the family could enjoy a game of cricket under the shade of the trees. Yes the home may require some tender loving care, but it definitely has good bone structure. The home is fully fenced with 2 entrances and has its own bore. The property is worth an inspection.
