In Highfields but situated at the end of a cul-de-sac with enviable privacy and serenity. This amazing architect designed home is nestled amongst native bushland and is complemented by a huge variety of attractive planted flora and open spaces on a big 6180 m² block. Established gardens are now at an easy care stage. Some main features:

- 3 bedrooms, 2-bathroom home and 4th bedroom/utility room.
- All bedrooms have built-ins, fans and have an outlook.
- Generous Master bedroom with walk-in robe and ensuite.
- Open kitchen/dining/living has dishwasher and stone tops.
- Dedicated office. Wide entry. Winter and summer courtyards.
- Attached 2 car garage with new seamless flooring + a storeroom.
- Magnificent, covered timber deck leads onto a treetop deck/walkway.
- The planned garden has easy access paths meandering through the property.
- Terraced areas hold a huge variety of interesting native and exotic plants.
- Lush lawn close to the home complements other grassed open areas.
- Plentiful water. Town + 42,000 litre RW tanks + 92,000 litre harvested run off water.
- 4 kw Solar. Solar HW. Feature lighting onto garden/trees.
- An 8.5m x 6m powered shed. Abundance of friendly native wildlife esp. birds.
- Many more features that make this a very special place.

The impressive range side home is designed with extra features to suit the environment and enhance its liveability. Natural light, cross flow ventilation, several usable outside entertainment areas make this a great lifestyle choice. A retreat of peacefulness but is only minutes from the shops and amenities of Highfields.
