Located in one of Port Macquarie's most sought-after areas, within easy reach of Port Macquarie's beautiful coastline this deceptively spacious and versatile home offers an exceptional opportunity that will have a multitude of buyers from investors, large/extended families or those looking for dual living options queuing up to see. As soon as you step inside the unassuming gated entry, you are welcomed into a huge, completely private undercover courtyard, that presents the perfect hub for everyday outdoor living and entertaining the largest of get-togethers. Step inside the home and you are immediately wowed by the sense of scale in the vast, open plan living and dining area that is bathed in natural light and overlooked by a spacious kitchen with an abundance of bench and storage space. On this level, there are three generously-sized bedrooms, complete with an abundance of wardrobe space and serviced by a central family bathroom. Whilst downstairs, you'll find a small bedsit/rumpus room with a walk-through robe, bathroom and internal access to a single garage. A real bonus feature is that the double garaging has been converted into a granny flat that offers a lounge, one bedroom, a bathroom and kitchenette, perfect for large families in need of space or even those looking to create a dual living set-up or get an extra income. Don't delay, homes offering such great bones and in such a sought-after location don't last long. Call Kristian and the team at HEM Property to arrange your inspection.
