This is a home to suit the largest of families with 5 x bedrooms and 2 x living spaces. The master bedroom has an ensuite and walk in robe. Heating is via a freestanding wood heater in the main lounge room and a reverse cycle in the open plan kitchen/ dining area. The home is set on a huge 1239m² block with frontage onto three streets. Subdivision potential (STCA) or a perfect size for backyard cricket or footy. There is plenty of off street parking plus a double carport plus an approx. 10 metre by 7 metre garage workshop along with a very large garden shed. Its a fantastic central location close to the newly constructed pool, Basketball stadium, shops, sports ground and two Schools. This home does need to renovations and improvements and is realistically priced accordingly.
