This outstanding property has something for everyone. Situated on an immaculate 935m² allotment is this sensational 4 bedroom, 2 bathroom, 3 living room family home with huge shed and an outdoor living area all set up to entertain. The big modern family residence has 4 great sized robed bedrooms with the master enjoying a walk in robe and sparkling new en-suite with double vanity, dual shower and eye-catching floor to ceiling tiles, north facing open plan kitchen/dining/family area bathed in natural light, large lounge/media room, fantastic kids activity room, stunning new bathroom with deluxe spa bath, LED downlights, bamboo flooring, walk in pantry, dishwasher, quality blinds and ducted heating and cooling. Outside you will step onto the incredible under cover timber decked sun-drenched outdoor living area with an unbelievable Fire Brick Co Pizza oven that would make any master chef jealous, a massive 13m x 8m powered workshop with concrete floor and 2 roller doors, double garage under roof line, plus the yard is fully fenced with side access and a long extensive concrete driveway leading to the shed. There is something for the whole family here, with so many features inside and out. All the work is done. All the boxes are ticked. It's time to entertain the family and friends.
