This smart renovation blends a fresh new kitchen, bathrooms and flooring with the home's charming mid-century timber feature walls. That's a bright and fresh start for the family in a court position close to schools, parks and the M1 freeway connection. With 4 bedrooms and a huge pitch roofed entertaining deck, young families can enjoy generous living space both inside and out on a substantial 784sqms (approx.) flat block. Views of the established gardens can be enjoyed from almost every room, giving you a sense of nature especially from the café window of the kitchen. The meals area opens directly to the deck, ideal for easy flow through when entertaining al fresco. Comfort is assured with a 5.5kw solar system, ducted heating and evaporative cooling, with car accommodation in the double carport and across the generous driveway. Live in or lease out now, and consider development prospects (STCA) down the track like the townhouses next door from this family friendly location close to all the essentials including local pharmacy on Brandon Park Drive, district public schools, Mazenod College, Mulgrave Country Club and the soon to be upgraded Brandon Park Shopping Centre.
