Nestled in the exclusive enclave of Murrumbeena, two architecturally striking homes redefine modern luxury. These residences seamlessly blend form and function, boasting cutting-edge design and premium materials. Step inside an expansive open-plan living and dining area that effortlessly blends modern design with inviting warmth. Sunlight streams through large windows, casting a natural glow on the sleek interiors. Each freestanding home offers 4 generous bedrooms, two of which are Master bedrooms both with huge WIR's and ensuites. The designs are functional and flexible for whatever your family configuration. Construction is well underway with completion anticipated around April 2025. Right now, is the perfect time to buy as we can offer customisation and bespoke options if so desired. We require a 10% deposit with the balance due on completion. Matt Bracken 0402 098 888 matt@littlefishre.com.au
