\$650,000-\$680,000

I am over 100 years old, located perfectly on a 1005m2 allotment and only a short 200m walk to the main CBD. I have 2 huge picturesque palm trees protecting me from the wind and rain and also come complete with a fantastic tranquil garden setting with a rear lane access adding to my charm and sophistication. My front facade is very impressive as too are my character filled internal features. As you enter the home you are greeted with original hardwood flooring, high ceilings, beautiful doors, leadlight windows and a sense of light and space. My 3 bedrooms are very spacious and all have built in robes. I also have a stairway leading to a beautiful upstairs attic style bedroom with great storage facilities. The huge open plan living area looks onto the beautiful rear garden setting and encompasses the large kitchen which includes a dishwasher, large oven and cooktop plus a reverse cycle split system. There is 1 bathroom, separate toilet and laundry. Relax and enjoy the views from the undercover entertainment area. There is a carport at the front leading into an old single car garage. The property does need a little love and attention but overall you simply cannot purchase these style of homes in such a sought after location. \$650,000-\$680,000.
