Architecturally inspired with a focus on innovative design, high-end finishes, extraordinary detail and luxurious character, this boutique residence is the pinnacle of high-end executive living. Hallmarked by two spacious living zones and a stunning adjoining alfresco sanctuary the home offers a year-round indoor-outdoor lifestyle that should be viewed to be appreciated. There's simply no doubting that your standard of living will soar to new heights as the future occupant of this exquisite property, enhanced by three large bedrooms and 2.5 bathrooms. Private ensuites and tiled balconies are enjoyed by two of the three bedrooms. An additional living retreat is found on the upper level. Honed and polished concrete floors flow around the lower level of the home leading to a custom designed kitchen bathed in symphony of stone and stainless steel with an abundance of ambient lighting. The cantilevered island bench has been engineered to perfection and is a reflection of the pride taken to construct this home. Other important features include ducted refrigerated heating/cooling, abundant storage options, double garage with remote door, high ceilings, exclusive Hawthorn bricks, alarm system, Ironbark staircase with wrought iron balustrades, double-glazed windows and low maintenance landscaped gardens. Your new home is positioned close to the delights of Templestowe Village, Macedon Square, Westfield Doncaster, schools, the Park + Ride and the Eastern Freeway/East Link, parklands, sporting fields and more. Arrange your private inspection or meet us at one of our public inspections.
