AUCTION

Embodying the essence of luxury with the perfect fusion of elegance and style, this custom designed masterpiece captivates at every turn and showcases top tier finishes and fixtures in the admired Studley Park Estate. A sanctuary of undeniable quality, the home's Georgian inspired façade is set amidst manicured landscaped gardens that combine synthetic turf lawns with beautiful hedging and tranquil water features. Once inside, the grand foyer delivers an incredible introduction with porcelain floor tiles, decorative cornices and ceiling moldings, a sweeping staircase and adjacent formal lounge and dining room displaying Swarovski crystal chandeliers and an electric fireplace. Enjoying beautiful aspects of the outdoors, the expansive meals and family room is accompanied by a professional grade Smith & Smith kitchen that flaunts custom granite benches, an imported Falcon oven/gas stove with water tap, integrated Miele dishwasher, clever pull-out cabinetry, Fireclay Shaws sink, walk-in pantry plus a laundry/butler's pantry. Providing the perfect setting for gatherings with friends, the alfresco zone is accompanied by a 12-seater spa, café blinds, ceiling fan and direct access to the low-maintenance backyard with water features. A 5th bedroom/study and powder room add ground floor convenience, while the upper level showcases a rumpus room along with the four robed bedrooms, including a lavish master suite featuring a parent's retreat, walk-in-robe and luxe ensuite. Additionally complemented by a family bathroom with clawfoot bath, separate toilet, ducted heating, zoned refrigerated cooling, split system air conditioning, high ceilings, alarm, CCTV cameras, video intercom, ducted vacuum, garden shed, water tanks plus a double garage with rear roller door. Resting in a coveted pocket, moments from Wantirna South Primary, St Andrews College, The Knox School, Swinburne Uni, Westfield Knox Shopping Centre, buses, Blind Creek Trail and Eastlink.
