From comprehensive inclusions to a seamless indoor/outdoor flow highlighted by sunny poolside entertaining, every element of this stunning property ensures an exceptional contemporary family living experience, moments from Gardiner Station and only a 10-minute walk (approx) to Malvern Village. Desirable with its low-maintenance appeal and uncompromising style, the sleek interior reveals a sun-bathed living room, a well-appointed kitchen with quality appliances, and a deceptively spacious family domain. Beyond bi-fold doors, the outdoor entertaining area is equipped with a gas BBQ and solar heated pool, ideal for alfresco entertaining and dining. Upstairs, a versatile living space offers the perfect setting for parents to work while staying connected with family activities, whilst four robed bedrooms and three bathrooms provide comfort, convenience, and flexibility for a growing family. A full-size laundry, guest powder room, reverse cycle air conditioning, a double garage, and ample off-street parking ensure every practical need is met, within easy proximity to some of Melbourne's finest schools, beautiful parks, and access to the Monash Freeway.
