Looking for a special home with high-end features and a spacious backyard? Look no further! This 4-bedroom gem has it all. The master suite, complete with an ensuite and walk-in robe, is tucked away at the rear of the house. Meanwhile, the other 3 bedrooms are conveniently situated off the main hallway and share a stylish family bathroom with a separate shower and bathtub. There's even a designated activities area for the kids. The heart of this home has been expanded to include a generous main living and dining space, a separate study with its own privacy door, and a theater room for your entertainment needs. The kitchen is a chef's dream, offering ample storage, exquisite stone countertops, and a convenient walk-in pantry. You'll love the seamless transition from the main living area to the outdoors via a spacious patio that overlooks an expansive backyard with side access. This home is loaded with thoughtful extras, making it truly impressive. Currently tenanted till 22nd June 2024 at \$510pw.
