This property is only 2 hours west of Brisbane and 15 minutes from Yarraman. The property is cleared at the front and boasts 2 fully self contained cabins, 6 cabins with pit toilets and shower block, and a large communal entertainment area. The undercover area has a kitchen, fireplace, pool table and BBQ facilities, just outside is a volleyball court and green house.

The rear of the property has been left just as nature intended with dense scrub, walking tracks and 4WD tracks are throughout the bushland. So whether it is an adventure you are after or just the peace and serenity this block has you covered.

The property is completely off the grid with solar and a generator, water tanks and 2 large dams.
