Located in the very popular Forest Gardens in an elevated part of Viridian Village sits this executive style, fully air-conditioned home. The vertical space provided by cathedral ceilings allows for open plan living. While being 293.1 m2 under roof there is more than ample space to wine and dine in the multiple living areas. • The kitchen is a minimalist design to compliment the open space with stone bench tops, dishwasher, gas cooktop, pantry and more than ample cupboard space. • Spacious, open plan living area leading through to the large undercover al fresco dining area • A large separate media room • The master bedroom has walk through his-and-her robes with mirrored doors, private toilet, ensuite with twin showers • Three spacious additional bedrooms • Main bathroom with a separate shower and bath • The low maintenance in-ground pool has uninterrupted views across to the pyramid • Internal laundry • Double remote lock-up garage Not only does this superior home boast the above, it also includes solar power, hard wired generator in garage, double door front entry, tinted windows and security screens. It is also positioned opposite a park with schools, shops and public transport only minutes away. Don't miss out on this one! Call today to arrange your inspection.
