Centrally located with views over Beechworth State Park this cherished family home comes to the market for the very first time. Step inside, and you'll discover a home filled with warmth, light and character. The heart of the home is the beautifully updated kitchen with quality finishes and ample storage. Cooking here will be an absolute pleasure – whether preparing family meals or gourmet feasts for guests. Adjacent is the informal dining area and living room. Flooded with natural light and fitted with two glass sliding doors to the garden and fernery, it creates the perfect spot for relaxation and entertainment. The L-shaped lounge and formal dining area provide that sought after second living zone for the growing family. This property features four spacious bedrooms and two bathrooms, ensuring quality space for the entire family. The master suite with stylish ensuite and built-in robes, shares a balcony with bedroom two to take in the views. Unwind and rejuvenate in the luxurious in-ground indoor heated pool, accessible all year round. Whether you're seeking an invigorating morning swim or a soothing evening soak, this private, leafy oasis promises endless moments of relaxation and delight. The property's charm extends to the established gardens, with an automatic watering system. Despite having town water, you will benefit from an inconspicuous 50,000 litre water tank. Assorted shedding offers practical space for your hobbies and storage needs, while the central yet private location ensures convenience without sacrificing tranquillity. Inspect this property to fully appreciate the opportunity and secure your investment for the future.
