If you prefer lifestyle over labour then this lovely home could be for you. The separate street frontage is one of the many features this home has to offer along with 3 bedrooms, Cathedral ceilings, an open-plan lounge, and a central kitchen that will be the hub of family activity. Entertaining with friends and family can be done in style with the covered alfresco area, and there's plenty of paved area allowing you to enjoy your weekends without mowing lawns. The shared bathroom is conveniently located adjoining the main bedroom and has easy access from the 2 other bedrooms. Your "pride and joy" is safe and secure in the remote single garage and there's more off-street parking for an additional 2 cars. Heating and cooling are taken care of with the central gas wall furnace and 2 air-conditioners.
