Rarely do we get to present a home in which all the finer details have been meticulously attended to. This fully refurbished home provides this and so much more. Stripped back and internally rebuilt, the result is a modern style property capturing the perfect environment for raising your family. Set on over 1,000sqm of level land, once you enter you're greeted by gleaming finishes as you move into the large main lounge and your eyes are drawn to the stylish kitchen with polished stone benches, island bench with breakfast bar and plenty of room to move around. From here you can head to the oversized formal dining room, 1.5 car tandem garage with internal entry, oversized laundry and water closet. Upon taking the stairs to level one, you spot the oversized additional living area including study nook. From here the master suite beckons, with full length mirrored built-ins, a resort styled ensuite with soaking tub that takes away all of your worries, plus a separate shower. As a unique touch you have your own good sized retreat balcony providing the perfect location to take in your morning coffee and charge up for the day ahead. Heading down the hall, bedroom two offers the size of many master rooms and includes walk in robe. Bedrooms three and four both provide built in robes and a pleasant outlook. Throughout this level the plush carpet under your toes reflects the understated luxury throughout. A well appointed bathroom with full sized bath and shower complete the upper level. Outside you have a yard that is so often teased yet seldomly delivered. Large, flat, private, fully fenced and with multiple spaces suitable for the additional of workshop, pool or simply enough room for the kids to genuinely run themselves tired in endless games, it really is a delight. The provision of a parking pad suitable for van or boat is a subtle addition. Located within the easiest of walks to Shailer Park State and High Schools and walking distance to Cornubia Insports, St Matthews school, medical and cafes plus city and John Paul College bus routes, its amenity matches the quality of the refurbishment. A three minute drive has you at the Logan Hyperdome and M1 entrance allowing you to be in Brisbane City in 20 minutes and Southport in 25, making this truly an opportunity not to be missed. Contact Darren McCosker on 0420 620 760 or Andy Tsai on 0449 926 825 to organise your private inspection.
