Offers over \$510,000

This gorgeous Federation 3-bedroom home (c.1921) offers many period features such as polished floorboards, 10 ft high ceilings, double hung windows, ceiling rose, leadlight windows and fret work. All 3 bedrooms are of a generous size and all equipped with built-in robes. The light filled kitchen offers excellent storage options. Formal dining room opens through French doors and leads to the large deck - perfect for entertaining your guests. Large family room is installed with a wood heater and reverse cycle inverter for added convenience. An inviting verandah with timber posts and fret work adds to the old world charm. Mancave with power or could be used for additional storage. Potential unit development site (STCA). Secure backyard for the young children and family pets. Tenanted until 2nd July 2024
